Anniversary Of Scouting This Week

Members of the 460 Scouting units in Mt. Diablo Council, which includes all of Contra Costa County, plus Berkeley and Albany in Alameda County, will celebrate the 53rd anniversary of the movement beginning Thursday, February 7, and continuing through February 13, according to E. Morton Schaffner, Council President.

Following the theme, "Strengthen America... Be Prepared, Be Fit", the Council's 15,273 Cub Scouts, Boy Scouts, and Explorers plus 6400 adult volunteers, will join nearly 5,200,000 other Scouts and leaders in every part of the nation in rededicating themselves to the Scout Oath on Friday, February 8, the actual birthday of the movement in America. During the past year more than 32,000 boys and adults were served in Mt. Diablo Council Scouting.

"This year the Scout Week observance will be emphasized at the unit level," says William E. McLain, Council Commissioner. "In this way we believe a boys' membership in the movement is more meaningful and colorful to him. We also like to have every member invite another boy of his own age to attend the Scout Week meeting so that he may share the excitement of the program."

Get Well, May!

May Ellis Olson is recuperating at home following surgery at Albany Hospital. The Albany Times joins the City of Albany in wishing her a speedy recovery.

Lions Open Annual Drive For Leprosarium

Albany Lions this week invited public participation as they prepared for the second shipment of clothing, toys and games to the Palo Seco Leprosarium.

The Colony, located near the Pacific Ocean in the Panama Canal Zone maintains some 120 men, women and children and is under the direction of the United States and Panamanian Governments.

The Club's first efforts resulted in 14 barrels being donated by Albany, El Cerrito and Berkeley residents. The enthusiasm thus demonstrated has inspired the Lions to carry through once again.

Lion Robert Dennis of the Adult Education Department in the Albany Schools originated the project after a visit to the Leprosarium two years ago. He will head up the committee this year.

The warm climate from necessity limits contributions of clothing to light weight materials such as cottons. Footwear should be of the light weight type also. Tennis shoes are very good, if serviceable.

A partial list of acceptable items includes tee shirts, sport shirts, light weight slacks, ladies blouses, skirts and cotton dresses.

Children's toys and games of all kinds are solicited, if of a size which may be shipped and packed in a standard barrel. Costume jewelry is also welcome.

Dennis noted in his appeal that the Colony was established in 1907. Since 1928 it has been under the supervision of Dr. Ezra Hurwitz and his wife. Both are devoting their lives to helping these isolated people.

Contributions may be deposited at the following locations: driveway at 849 Madison Street, 1116 Solano Avenue, and 1224 Solano Avenue, each in the City of Albany.

Where it is impossible for contributors to deliver material, the committee will pick up. Only a telephone call to LA 5-3148 or LA 6-6441 is necessary.

Planned delivery date at the Colony is set for Easter Week.

SACRAMENTO TO ALBANY

By telephone communication from his Sacramento office, Seventeenth District Assemblyman Byron Rumford issued the following statement to the citizens of Albany:

"I felt it would not be apropos to sign the Waldie Bill as it would not lend much to what would effect us."

(Ed. note: The Waldie Bill would sever the portion of Contra Costa County not directly serviced by the proposed Bay Area Transit route from tax obligation.)

FEBRUARY

Woman of the Month

over the state. In addition to this, she holds workshops and appears at PTA Schools of Information as an instructor to new presidents or executive officers.

She has not confined herself to the State level, however. She has kept abreast of single unit development by participation in chairmanships in Albany High School PTA, while her daughter was enrolled there.

One of Cheryl's friends once said: "She's bright-eyed and bushy-tailed and has a finger in every puddle in town!" Cheryl, with her robust laugh, would agree. She served for three years on the Alameda County Directors of the United Crusade, was Public Relations chairman for the Albany United Crusade for three years, marched annually with the March of Dimes, was active with the Girl Scouts and the Red Cross, held a presidency with the Alameda County Pharmaceutical Association, was a charter member of the Citizens Advisory Committee to the Board of Education, was on the recent Building Committee of Standards for Albany High School, and was an active participant in the building drive for remodeling the Albany YMCA.

San Francisco born, Cheryl moved to Berkeley at the age of three weeks and was educated in the Berkeley Schools. Shortly after her marriage to Robert, a pharmacist, they moved to Albany. This year marks their twenty-seventh year of residency.

PTA and Cheryl were introduced when the small Kleinhammer heiress enrolled in kindergarten at Marin School. The introduction has led to a lifetime bond of mutual respect and, from Cheryl, dedicated service. Participation at Marin PTA culminated in the presidency, a year after she was awarded the Parent-Teachers Association Honorary Life Membership. Following this, she became Berkeley - Albany Council president for two years and then parliamentarian for two more years. She was Parent Education chairman for Seventeenth District for two years and then became California State Parent Education chairman. This year marks her seventh year with the State Board; for the last two years she has been State Higher Education Chairman. Her position with state is integrated with three working committees: Education Study, Resource, and Divergent Youth. In conjunction with her position, Cheryl finds herself frequently on the road filling speaking engagements.

Cheryl Kleinhammer

During the month of February, millions of Americans pay tribute to the largest national organization of women in the world, founded with the principle of maintaining communication between home and school, the Parent-Teachers Association. For this reason the City of Albany's nomination for February Woman of the Month is apropos. Meet Cheryl Kleinhammer!

TUNING IN ON PTA for the annual Founder's Day program is (right) Mrs. Carl Fossellus, chairman from Albany High School. Listening, to see that the reception is "loud and clear" are (left) Mrs. Al Drozda, chairman from Marin, and (center) Mrs. Harold Bray, chairman from Vista.

Founder's Day Theme Is 'Tune In On PTA'

In honor of the sixty-sixth anniversary of the National Parent & Teachers Association, the five Albany PTA units will present their Founder's Day program Thursday, February 7, in the Cornell School auditorium at 1:30 p.m.

Founder's Day chairman, Mrs. Carl Fossellus, from Albany High School, is in charge of the program and has announced many surprises as we "Tune In On PTA".

An instrumental group from the high school will perform, and as in past Founder's Days, the principals from the five schools and members of the school administration will be part of the program.

Past presidents will be introduced by the PTA Presidents of each school, and the recipients of this year's Honorary Life Memberships will be announced.

Special invitations have been sent to all past presidents, members of the Board of Education, School Administrators and school principals.

Among those attending will be State Officer, Mrs. R. J. Matheson; 16th District President, Mrs. Dale Birdsall; 16th District Founder's Day Chairman, Mrs. Charles Conrad; 16th District Honorary Life Chairman, Mrs. C. L. Wentz; Berkeley-Albany Council President, Mrs. Melvin Calvin; and past principal of Albany High School, Charles Moore.

Other Founders' Day chairmen working to make this another successful Founder's Day are the Mesdames Carl Scott, Cornell; Vincent Mattiada, MacGregor; Al Drozda, Marin; and Harold Bray, Vista School.

Child care will be provided for pre-schoolers.

'1963 Forecast' For High Twelve

The Albany High Twelve Club will be addressed by Mr. Alfred Barnston at the noon luncheon on Friday, February 8, at the Red Barn Restaurant, 1742 Solano Avenue, Berkeley. The subject will be, "1963 Forecast".

The speaker, a native Texan, is a graduate of Houston's Rice Institute of Technology. As a Chaplain in World War II, he saw overseas duty with both the Marine Corps and U.S. Navy. After the war, Mr. Barnston joined the Analytical Department of Sutra's New York Correspondents, Carl M. Loeb, Rhoades & Co. In 1950 he moved to San Francisco, where he joined Sutra & Co., becoming a partner in 1951.

NEW ZONING REJECTED BY COUNCIL

The meeting of the Albany City Council on Monday night, February 4, was reminiscent of a large sized firecracker that was never lit.

The Council Chambers were peopled by suspicious citizens who had received notices from the Albany Homeowners & Taxpayers Association informing them "of a matter which concerns your present investment and financial well being in your community." The notice reminded them of the Public Hearing on the change in their area from "a first class residential to C-3 Commercial Expansion, you will want to protect your interests."

The area of concern was Section 7 of the proposed changes as set forth in Resolution of Intention 62-1PC recommended for adoption to the City Council by the Planning and Zoning Committee at their meeting of November 9, 1962.

The audience sat patiently through the adoption of Section 1, which would allow construction of accessory structures to occupy a total of 30 per cent of the rear yard, rather than of the required rear yard; Section 2, which would require a Use Permit for a Conversion of an actual building; and Section 3, which places the determination of the validity of an appeal under the Use Permit procedure within the City Council and places a time limit for the review of the facts and determination of an additional Public Hearing or action, that an appeal be filed with a \$15.00 fee and such appeal can be denied by 4/5 vote of Council. Proposed section 4, 5 and 6 were removed from the ordinance by unanimous vote.

Section 7, the proposed modification by the addition of a CE-5 district which would provide a tool for more positive control of rezoned area than was possible at the time of the Sefaway rezoning is prohibit the commercial expansion permit for use of a portion of unused property in development of apartment construction, was introduced for Public Hearing and the reaction of citizens ranged from "I don't understand it," "sneaky way to expand commercial expansion" to "Where do we go from here if we don't leave the way open for commercial development?"

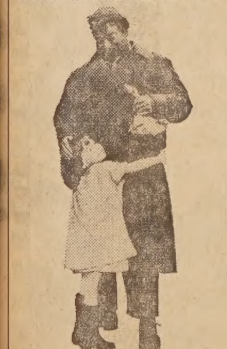

Mayor Joel Parker stated that the CE-5 was contemplated to "establish a tool for the future." Vice-mayor Lewis Howell suggested "no action until we have the planner. We allocated \$3,000 to get one, let him make his recommendations for changes." Councilman Joseph Caravaro, armed with a prepared statement and multi-colored maps, spoke for seventeen minutes on the fallacy of the proposed change. Councilman Joseph Egenberger suggested an amended version in which there would be no CE-5 expansion within 100 ft. within the C-1 district and that existing land use should not be curtailed. However again reiterated his previous stand that he believed any action would be "jumping the gun." He said: "I feel that it should go to a planner for recommendation and then have many, many public hearings." The Council voted unanimously to reject Section 7. There was scattered applause from the audience and the Council Chambers emptied.

The last two issues before the Council were culminated in nine (Continued on Page 3)

Noble makes the daily rounds with East Bay Water field inspector near Bizler in San Joaquin Valley.

East Bay author, John Wesley Noble says: **"I helped ride herd on a hundred miles of water."**

"An inspection ride with Chuck Higgins showed me how carefully our water is guarded every mile of the way from Pardee Reservoir to the East Bay.

"Chuck Higgins and his fellow 'hands' daily check these hundred-mile-long lifelines through which our pure water flows. Constant patrol of aqueducts is another example of how East Bay Water protects our entire water system, including new facilities of our \$283-million Water Development Program...now more than half complete."

Mardi Gras Theme Of Soroptimists

BERTHA WELTE
WILL PROVIDE FASHIONS

While the city of New Orleans is gearing for its famed carnival, Mardi Gras, the Soroptimist Club of Albany is gearing for its "Mardi Gras Parade of Fashions" to be held on the evening of February 20, at the Helmet Club, Berkeley.

Connie Atchley, chairman of the fashion show, wishes to extend an invitation to all citizens to participate in an evening of fun and merriment. "Not only do we promise a most enjoyable evening, showing the newest in spring fashions by famous makers, there will be music and entertainment providing authentic atmosphere of the Mardi Gras," says Connie.

"Everyone who attends can also take credit in doing his or her share of community service, since all funds raised from this show are earmarked for community and civic projects, such as scholarships, camperships for needy children, American Field Service, Christmas baskets, Senior Citizens Foundation and numerous other worthy causes."

Bertha Welte, owner of Bertha's Casual Apparel, Solano Avenue, and Ellen Abbott, owner of The Hour Glass Lingerie Shop, will provide the fashions. Models will be Mae Jean Cavert, Lois Pursell, Laura Roderick, Sandy Musio, Judy Wyse, Vina Kaiser, Shirley Jensen and Mari Anne Mander.

THE WOMAN'S SOCIETY of the Albany Community Methodist Church

will hold their monthly meeting Tuesday, February 12 at 9:45 a.m. The business meeting will be presided over by the president, Mrs. Walter Johnson. A brunch will be served by Circle One. The topic for the day will be "A Land of Decision". Visitors are always welcome and child care is provided.

ALBANY UNIT 292, American Legion Auxiliary will hold a Valentine Dinner for members, Monday, February 11 at 6:30 p.m. at the Veterans Memorial Building. Mrs. Alta Klein is general chairman, assisted by Mrs. Ramona Turnbull and Mrs. Berma Tobin. Following the dinner the Auxiliary will initiate ten new members, President Ann Johnson presiding.

INSIDE THE BANTAM BOWL

'Gigot' To Play At The Albany

The critic raves about Jackie Gleason in "Gigot" include such as "Gleason has a gift of mimicry that verges on genius", "Time Magazine. Hedda Hopper says, "Jackie will make it hot in the 1963 Academy Award race". The National Film and Broadcaster Critics in a poll by Film Daily place Jackie Gleason in the Top Five Actors of 1962 film releases for his part in Gigot.

This splendid film is being shown exclusively at the Albany; it will give way on Thursday, February 14 for the March of Dimes Fashion Show. Following the fashion show the theater will present, through the courtesy of Twentieth Century Fox, "Can Can" starring Frank Sinatra and Shirley MacLaine, with Maurice Chevalier and Louis Jourdan. This is a lively dance and musical film in Cinemascope and color; this is the picture that caused Krushchev when seeing the preview in Hollywood to remark, "this sort of display would not be permitted in Russia." Some of the finest dancing and Sinatra's singing are to be seen and heard in Can Can.

Hero's Island will be shown to the children on the Berkeley Motion Picture Council Saturday Matinee February 9.
